Accommodation Procedures

The check-in, check-out and room change procedures of international students are all handled at the General Service Desk which is located on the 1st Floor of Zijing Building No.23.

Check-in

Materials: Passport, student I.D. Card (freshmen need to present the "Admission Notice")

Process: Online/on-site payment → Sign accommodation agreement → Get the room card/Activate student ID for room access → Accommodation registration → Move into the apartment

Notes: On-site payment can be made in cash (RMB), mobile payment, bank cards issued by domestic banks in China, and VISA/MASTER/American Express/JCB credit cards issued by foreign banks.

Tips: After moving into the apartment, you should check whether the facilities and items in the room are complete, and if you have any questions, contact the front desk on the ground floor in time. If the equipment, facilities and guest supplies in the room are lost due to students' reasons, compensation shall be made according to the regulations.

Check-out

Materials: passport, accommodation fee payment receipt, room card

Process: Packing luggage and take the luggage out of the room → Inform the front desk on the ground floor to check the room → check out at the General Service Desk

Notes: Check-out procedures are completed before 14:00, and the room rate of the day will be waived; if the check-out is completed during 14:00-19:00, a half-day room rate will be charged; if the check-out is completed after 19:00, the room rate will be charged for the whole day; If you need to check out outside of office hours of the general service desk, please complete the check-out procedure one day in advance.

Room Change

- Students are allowed two opportunities to change rooms during their stay. Log in the room change application system (<http://hf.myhome.tsinghua.edu.cn/>) to apply it.
- After receiving the email notification of successful room matching, students need to go to the General Service Desk with their passports and the original room card to complete the room change procedures within 72 hours, and move to the new dormitory within 4 hours.
- After the student's room is changed, please inform the International Students & Scholars Center on-site or by email (see P1 Apartment Introduction).

Accommodation Procedures

Accommodation Registration

- International students living in on-campus international student apartments must complete the online accommodation registration when checking in.
- During their stay, if the following information changes, it is necessary to go to the General Service Desk and re-register.

- Accommodation Agreement of International Student Apartments clearly states: During the tenancy period, international students must ensure the legality and validity of their ID documents, such as passports (including visas, residence permits, and stay permits), Foreigner's Permanent Residence Card, passports and travel permits to and from Hong Kong, Macao, and Taiwan, People's Republic of China Resident Identity Card, or other travel documents recognized by the Chinese government. If there is a change in Party B's foreign residence permit application matters, they shall promptly register such alterations at the General Service Desk of the campus apartments.

If there is a change in the registration of the foreigner's residence permit but international students fail to complete registration of such alterations in time, or if their visa, residence permit, or stay permit expire but they fail to apply for a renewal, Party A reserves the right to suspend the provision of accommodation to Party B.

- According to the relevant content of the *Exit and Entry Administration Law of People's Republic of China*, for foreigners who reside or stay in domiciles other than apartments, they or the persons who accommodate them shall, within 24 hours after the foreigners' arrival, go through the registration formalities with the public security organs in the places of residence.
- For more legal content, please refer to the *Exit and Entry Administration Law of People's Republic of China* and *Regulations of the People's Republic of China on Administration of the Entry and Exit of Foreigners*. Please pay attention to it!
- For any other inquiries, please consult the General Service Desk of international student apartments.

Room Card

The apartment room card is the student I.D. card or an induction door card, and the door can be opened by sticking the room card to the induction area on the upper part of the door lock.

- Temporary opening : If the room card is lost or left in the room, students need to bring their valid certificates (passport, student ID, etc.) to the front desk on the ground floor to apply for temporary opening of the door. After verification, the staff in the building will help to open the door.
- Lost & Reissue: Students need to bring their valid certificates (passport or student ID) to the General Service Desk of the international student apartments to apply for relevant procedures.

Apartment Life

Water & Electricity

Cost: International students living in the international student apartments do not need to pay additional water and electricity bills, please save water and electricity.

- Supply time of hot water for showering: 6:00-24:00
Notes: Equipment maintenance will be arranged once a week, and the hot water supply will be suspended from 9:00 to 17:00 on the day of maintenance.
ZJ19-20: Maintenance every Thursday; ZJ21-23: Maintenance every Friday;
Student Apartment No. 6: Maintenance every Monday.
If there is any change, the notice in the apartment shall prevail.

- The maximum power rating for all electrical appliances (including cooking appliances) used in the apartments must not exceed 1000W. **Why?**
- ✓ The use of high-power electrical appliances is prohibited in densely populated areas such as student dormitories, classrooms, and auditoriums.
- ✓ General household high-power electrical appliances refer to those rated above 1000W.
- ✓ The higher the power of the electrical appliances, the greater the risk of fire compared to low-power appliances.

- Tips on purchasing and using electrical appliances:
 - ✓ Purchase qualified electrical products such as power strips and desk lamps that have passed China's compulsory product certification (CCC certification) through legitimate channels. After purchase, carefully read the product's instruction manual and safety precautions.
 - ✓ Use hair dryers and other appliances correctly. Ensure that electrical appliances are kept away from flammable materials such as paper and cotton. Unplug the appliance after use and allow it to cool down before storing it.
 - ✓ Do not use too many high-power electrical devices on the same power strip; do not plug or unplug power plugs with wet hands.
 - ✓ Place the mobile phone charger on a desk when charging, and unplug it from the socket after charging is complete.

Air Conditioner

According to the regulations of Beijing Municipality and the university, the apartment will provide air-conditioning or heating uniformly at the specified time every year.

- Supply time: (The actual supply time is subject to university notice)
Air-conditioning is generally from early June to the end of August; heating is generally from mid-November to mid-March.
- Switch: When the air conditioning/heating is on, the status and temperature can be adjusted by the air conditioner switch.

Reminder: The room temperature should not be too low or too high, and remember to turn off the air conditioner when you leave the room.

Apartment Life

Drinking Water

- Tap water in the room is not drinkable.
- The apartment buildings are equipped with water dispensers where students can swipe their student ID cards to get water.

- (2) Electrical appliances rated above 1,000W;
- (3) Electric rice cookers, induction cookers, ovens, electric food warmers, electric baking pans and other kitchen appliances (Please note: kitchen appliances can be stored, but cannot be used in the room.);
- (4) Electrical appliances without national safety certification;
- (5) Other electrical appliances with potential safety hazards.

Electric Vehicle Battery

Boarders are not allowed to bring batteries of electric vehicles to their apartments, park electric vehicles or charge electric vehicles or store batteries of electric vehicles in their apartments. Once found, a **warning** or above disciplinary actions will be given and the accommodation agreement will be terminated.

The electric vehicles refer to electric bicycles, electric motorcycles, and electric tricycles, electric self-balancing scooters, and other electricity-driven transportation tools with potential safety hazard.

Stay Over

If students have visitors, please abide by the apartment visit regulations and do not stay over. The visiting hours of the apartment is 8:00 - 23:00.

Please receive visitors during the visiting hours. According to accommodation regulations, receiving visitors beyond visiting hours will result in temporary overstay (less than 1h) or sleepover (more than 1h), and will lead to public notice of criticism or disciplinary punishment, which will affect students' campus life.

Others

Smoking and open flames are not allowed in the apartment; don't decorate, destroy or change the structure and function of the house without permission; don't lend your room key, access card or room card to any other person without prior consent; don't bring animals to or raise animals in apartments, which disrupts public order and others' physical and mental health.

Special Notes

1. Consequences of Disciplinary Actions

Before the disciplinary action is lifted, the students will be disqualified from receiving commendations, awards and other rights (scholarship, honorary titles, recommendation for postgraduate programs, "Teaching Assistant, Research Assistant, and Management Assistant", grants, etc.) according to the types of disciplinary actions received.

For details, please refer *Administrative Measures for Accommodation in Student Apartments of Tsinghua University, Regulations on Disciplinary Action Management for Students in Tsinghua University, Implementing Rules of Regulations on Disciplinary Action Management for Students in Tsinghua University* and other relevant regulations of the university.

2. Situations of Terminating Accommodation Agreement

According to accommodation agreement of international student apartments, for students who is subject to serious breach of the agreement or get punished for violating university rules and disciplines, the apartment reserves the right to unilaterally terminate the agreement and ask the student to move out and complete check-out procedures within seven days.

★ **If students violate following articles, the accommodation agreement shall be deemed as being seriously breached. Other behaviors that seriously breach the agreement please refer to the agreement articles.**

Boarders shall not allow overnight stays of any visitor; keep or use flammable, explosive, toxic, radioactive, corrosive substances and other dangerous goods; use induction cookers, ovens, electric rice cookers, electric baking pans, and electric caldrons and other cooking utensils in the room; keep or charge batteries of electric vehicles (electricity-driven transportation tools with potential safety hazard, including electric bicycles, electric motorcycles, electric tricycles, and electric balance car) in the apartments; bring batteries of electric vehicle into the apartment, or store batteries of electric vehicle in the apartment; use naked flame; move or damage firefighting equipment or use the equipment in non-emergency situations; block fire lanes or evacuation routes; touch or cover fire detectors or sprinklers.

Safety Instructions

Fire Extinguisher Usage

When the fire in the apartment is relatively small, you can use a fire extinguisher to extinguish it immediately.

- **Step One: Take out the Extinguisher**

Dry powder extinguishers are stored in the fire cabinet at the staircase and opposite to the elevator on each floor.

- **Step Two: Pull out the security pin**

Hold the lower handle and pull out the security pin. Do not hold the upper handle, as you will not be able to pull out the pin.

- **Step Three: Spray**

Hold the press bar in one hand, and hold the nozzle at the front section of the spray hose with the other hand. Note: Stand 3-5m upwind, and spray at the fire root.

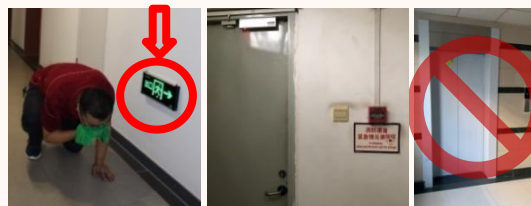

Earthquake Preparedness and Evacuation

- When receiving a destructive earthquake warning, all personnel on the 1st and 2nd floors must quickly evacuate to an open outdoor area. Teachers and students on the 3rd floor and above should take the basic earthquake-proof actions of "Drop, Cover, and Hold On".
- After receiving the notice that "The earthquake shaking has stopped. All personnel sheltering indoors should evacuate immediately via staircases to open outdoor areas", all sheltered individuals must promptly evacuate from the building to the open space in front of the building (emergency assembly area) along the evacuation routes.

Evacuation Escape

- The fire facilities in the apartment include emergency evacuation door, emergency exit light, emergency light, emergency broadcast system, fire detector, manual fire alarm, indoor fire hydrant, fire extinguisher, etc. See the fire evacuation plans in the apartment for the specific locations.
- If a large fire broke out in the apartment, do not panic. Evacuate according to the direction of the evacuation indicator light. Press the emergency evacuation button beside the door to open the evacuation door and evacuate quickly. The following are three main points of evacuation escape.
 - ✓ Cover your nose and mouth with a wet towel.
 - ✓ Follow the directions of the safety signs, walk by the wall and keep your body as low as you can.
 - ✓ Never take an elevator if there is a fire.

Community
Characteristics

- The activities will be promoted through the publicity column in the building. For more activities, please pay attention to the WeChat public account of "Student Community of Tsinghua University".
- We welcome everyone to make valuable suggestions and build a better community together!

Apartment Culture

Student Dormitory Representatives

- The SDR (Student Dormitory Representatives) of international student apartments was established in March 2019 and affiliated with the Student Work-study Group.
- As a bridge between international students and the apartment, the SDR assists the apartment management by organizing building cultural activities, carrying out building management, services, and publicity. The SDR team has organized many cultural activities, such as HEY THERE, Chinese Corner, badminton competition, Pump it up Mid-sem, Together Party and Game Night, etc.

- Welcome to become one of SDR!
- For registration, please pay attention to the recruitment posters in the publicity column at the beginning of the semester, or consult the staff of the front desk on the ground floor. (The name list of SDR will be announced on the publicity column in the building at the beginning of each semester. Please pay attention).

Volunteers

- The International Student Apartment Volunteer Organization was established in June 2020. Students participating in the activities can get "Beijing Volunteer Service Federation" working hours and volunteer certificates.
- The volunteer organization recruits dedicated and voluntary international students to jointly create a harmonious and friendly community. Up to now, voluntary activities such as fresh students orientation, environment test supervision, packing for graduates and cleaning up for university anniversary celebrations have been carried out.
